

### ***Veteran's Memorial Brick Sponsorship***

The Town of Stephens City Parks and Recreation Committee is committed to seeing the construction of a Veteran's Memorial at the Old Stephens City School complex. It is our goal to construct a Memorial that honors our Veteran's while at the same time promotes civic pride. As part of the fundraising efforts for the construction of the Veteran's Memorial at the complex, we have decided to create a "Walk of Honor". We are asking interested citizens or residents of the area to honor their active military or memorialize those who are no longer with us by sponsoring a brick in their honor. The cost of the brick will be used towards the engraving, installation and the construction of the memorial itself.

Please take this opportunity to be part of honoring our veterans. At this time the memorial sponsorship is to honor Veterans that have served in any of the five branches of the military. This includes the Army, Navy, Marines, US Coast Guard and Air Force.

If you are interested in just sponsoring a brick, but do not personally know any veterans to honor, please leave the attached form blank where the brick is to be engraved (in the boxes).

Your sponsorship is greatly appreciated for this project and your donation will make this vision a reality and a way that we can all honor the veterans who have given their lives or a portion of time out of their lives to protect the freedoms that we value today.

If you should have any questions please contact Mike Kehoe, Town Manager or the Town Office in general at 540-869-3087..

Sincerely,

Michael Kehoe  
Town Manager
